SCIENCE JOURNAL TEMPLATE

ENERGY TRANSFORMATIONS

NAME: _____

DATE: _____

Print energy transformations in the middle.

Draw 4 toys and label the forms of energy you observed.

The form consists of a large rectangle divided into four equal quadrants by a vertical line and a horizontal line. A gray circle is centered at the intersection of these two lines, overlapping all four quadrants. This layout is intended for students to draw four toys and label the forms of energy observed in each quadrant.
